MEDICINAL.

Will be paid by the World's Dispensary Medical Association, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"For about two years I suffered from a very obstinate case of dyspepsia," writes R. E. Second, Esq., of 15 Eastern Ave., Toronto, Ontario. "I tried a great number of remedies without success. I finally lost faith in them all. I was so far gone that I could not for a long time bear any solid food in my stomach; felt melancholy and depressed. Some four months ago a friend recommended your 'Golden Medical Discovery.' After a week's treatment I had derived so much benefit that I continued the medicine. I have taken three bottles and am convinced it has in my case accomplished a permanent cure. I can conscientiously recommend it to the thousands of dyspeptics throughout the land."

A man can succeed and be strong if he heeds Nature's warnings. When there is indigestion, loss of appetite, ringing in the ears, dizziness, spots before the eyes or palpitation of the heart; any or all of these symptoms point to weakness and loss of nutrition. Dr. Pierce's Golden Medical Discovery is the medicine to turn to.

"Golden Medical Discovery" contains no alcohol and is entirely free from opium, cocaine and all other narcotics. It is strictly a temperance medicine.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach. The "Common Sense Medical Adviser," 1008 pages, in paper covers, is sent free on receipt of 21 one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

WAR PREPARATIONS.

A semi-official dispatch to a St. Petersburg news agency from Vladivostok and private information from Mukden state that, owing to disturbances from the Koreans and the Japanese in Korea, the Russian Second Rifle Regiment, at its full strength, has been dispatched to Korea in order to protect Russian interests there. The Russian squadron at Vladivostok is also preparing for action.

The Navy Department at Washington in receipt of two cables from the commanding officer of the United States ship Vicksburg, at Chemulpo, dated the 4th and 5th inst., respectively, as follows: "After consultation with American Minister, we are of the same opinion as to the necessity of a strong force."

The second message is as follows: "Two officers and 35 men have left for Seoul. The remainder of guard is prepared if any demand. There is little change in the situation."

A Russian cruiser has left Port Arthur with a small military force on board. Its destination is unknown, but is probably Chemulpo.

The widely separated vessels of the German Far Eastern squadron have been ordered by Rear Admiral von Prittwitz to concentrate at Tsin Chou, Province of Shantung. This movement is considered at Berlin as probably relating to the possibilities of war between Russia and Japan.

The preparations for the embarkation of two divisions of Japanese troops are continuing actively. It is believed they will be dispatched to ports in South Korea to restore order. The Japanese government has now decided to send an army of 35,000 men, organized as two divisions, to Korea. This is more than double the strength of the expedition first contemplated, and requires a large fleet of transports and extensive arrangements which are proceeding rapidly toward completion. The destination of this army is expected to be southern Korea, particularly Fusan and Masampo.

Rumors are in circulation at M. recites that a French naval division, composed of the armored cruisers Kleber, Desaix and Admiral Aube and the turret ship Suffren, is about to receive orders to sail for the Far East.

The question of a neutral zone in the negotiations between Japan and Russia. The answer of Russia was decided upon at a conference of government officials and the Czar Sunday. It was stated yesterday that Russia, in her answer to Japan, had made great concessions and hoped that her proposals would be acceptable.

The Foreign Office says that instructions had been sent to Viceroy Alexieff, on which the reply was based. The latter was drawn upon the most conciliatory spirit. Some of the Japanese proposals were accepted, while others were made the subject of extended observations and were met by counter-proposals.

Long and careful consideration was given to the situation in the Far East yesterday by the President and his Cabinet. This government has been keeping in close touch with the progress of events in the Orient through diplomatic channels, but the information received is carefully guarded. At the conclusion of the Cabinet meeting the members were unusually reticent. Scarcely an intimation of the subject of their discussion could be obtained. It is felt by officials of the administration that it would be improper publicly to discuss a subject so delicate as that which is pending between Japan and Russia in which, too, the United States is not one of the principal parties. The government's relations to the controversy are purely commercial. If war between Japan and Russia should result, while it is not expected that, even in a remote way, the United States would be drawn into it, efforts certainly would be made by this government to protect its commerce in the Far East.

SPEAKER CANNON TAKEN IN.—The other day Speaker Cannon bought sixty volumes of a historical work from a glitzy-tongued agent. Upon delivery of the books, he sat down to enjoy a feast of reason. Soon he found, to his disgust, that the work was anything but valuable. But he had contracted to pay, and pay he did. This is what he wrote on the back of the check: "This check is in full payment both legal and moral for sixty volumes of books called for in the contract with the payee (here occurs the name of the publication) The books are not worth a damn, and are high at that. We are never too old to learn but the way the gentlemanly agent came it over your 'Uncle Joe' is worth the check. He sent the check to the firm and in the regular order of business went through the local banks, and has just been returned to the speaker. Despite the endorsement which is in the speaker's own handwriting, the book concern had no hesitation in cashing the check.

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

THEN thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

"Wine of Cardui is certainly 'women's best friend' and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains of the poisons in the system, makes the functional organs strong and healthy again.

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?

A million suffering women have found relief in Wine of Cardui.

What's In a Name?
Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by all druggists.
